Garden J

Three Swamp White Oaks provide deep dark green foliage to highlight the rest of the eight species of plants and flowers in your garden. The white and salmon blooms of your BoBo Little Hydrangeas blend beautifully with the vivid pink geraniums which will develop into a gorgeous burgundy in the fall. Your garden even provides color in the winter, when the festive red stems of your Alleman's Compact Dogwood will perk up the winter's snowy cover.

Your garden will include the following plants:

1
Little Devil
Ninebark

5
Max Frei
Geranium

5
Prairie
Dropseed

2
BoBo Little
