Kindra Engel, CRS

Kindra is a 2011 graduate of Winona State University in exercise science. She works primarily in Cardiac Rehab, supporting both rehab and diagnostic efforts, but serves as back-up support for the outpatient therapy department in a clerical role. She has a background in years of customer service experience and lives here in Winona.

Melissa Heyrman, CRS, Rehab Aide

Melissa is a 2011 graduate of the University of Kansas in Lawrence, KS, with a degree in exercise science. While her background includes cardiac rehab, her career goal is to pursue the Mayo Occupational Therapist program. She currently lives in Rochester, MN, and has worked as a swim coach for children ages 5-8.

Danko Jurkovic, CRS

Danko graduated from Winona State University in 2010 with a degree in cardiac exercise science. His long-term goal is to return to school to pursue a higher level degree in a related health field. Meanwhile, he supports both cardiac rehab and diagnostics. Originally from Croatia, he then lived in Germany before moving to Winona, MN, where he still calls home.

Cardiopulmonary Rehab

Alicia Lalim, RCEP, CHWC, EMT

Alicia's background in cardiac rehab and diagnostics began in 1996 when she completed her undergraduate studies at Winona State University. She has since completed exercise physiology certification through the ACSM. As a resident of Lewiston, MN, she supports the Lewiston Ambulance Service as a volunteer EMT. In 2010, Alicia went on to gain certification as a Health and Wellness Coach and has been using her skills to promote Winona Health employee wellness efforts. She also has served as an adjunct faculty member of the Cardiac Exercise Science program at WSU.

Lynn Sprain, MS, RT, RCEP

Travelling from La Crosse, Lynn has been with the Cardiac Rehab program since its inception and continues as Team Lead. With her Master's of Science from the University of Wisconsin – La Crosse, exercise physiologist certification, and respiratory therapist license, Lynn has been practicing in the field of respiratory care, pulmonary rehab, and cardiac rehab since 1985. She also performs smoking cessation instruction and assists with pacemaker checks in her role with Winona Health. She has served as adjunct faculty to the Winona State University Cardiac Exercise Science program.

Paul Whitesitt, CRS, CES

Paul is a certified exercise specialist. He concluded his training from Winona State University in 2008 and has served as adjunct faculty for the WSU Cardiac Exercise Science program. He supports both cardiac rehab and diagnostics in his Cardiac Rehab Specialist role. Winona is where he calls home.

Occupational Health

Lindsey Henderson, OTR/L

Practicing since 2000, Lindsey has experience in acute, home care, and long term care settings, but currently works primarily in outpatient and Occupational Health. She is interested in cognitive training, hand therapy, low vision, wound care, and lymphedema treatment. Lindsey graduated in 1998 from St. Scholastica in Duluth, MN and is a certified lymphedema therapist. She is studying to take her CHT certification. She is our OT and COTA clinical care coordinator and currently lives in Winona, MN.

Cathy Johnson, RN, BSN, COHN-R

Cathy is a 1983 graduate of the University of North Dakota in Grand Forks, ND and has dedicated a large portion of her career to the field of Occupational Health. She is certified as an occupational health nurse, hearing conservationist and is certified in occupational spirometry. She lives here in Winona, MN.

Kristy Johnson, LPN

Kristy travels from Minnesota City to provide nursing support for Occupational Health. She received her LPN degree from Minnesota Southeast Technical College in 1993 and has used her degree in a variety of settings to broaden her knowledge of nursing.

Kris Lawson, PT

Kris graduated in 1996 from the University of Wisconsin - La Crosse and calls Onalaska, WI her home. She is McKenzie certified and is a certified clinical instructor. She works in the Occupational Health program, focusing on employee injury prevention and management. She is also involved in outpatient therapy with work conditioning clients and performing Functional Capacity Evaluations.

Occupational Health

Christina Nitti, CNP

Having been with Winona Health since 2006, Christina is currently the primary provider (among several others) for the Occupational Health department. She received her Bachelor of Science in Nursing from the College of St. Benedict in St. Joseph, MN in 1996. She later completed her Master of Science in Nursing in 2006 from Frontier Nursing University in Hyden, KY and is currently completing her Doctorate of Nursing Practice through the University of Minnesota. She is a member of the American College of Nurse Practitioners, the American Nurses Credentialing Center, and Sigma Theta Tau (The Honor Society of Nursing). She is fluent in Spanish and lives here in Winona.

Monica Siegfried, Medical Secretary

Monica graduated in 2010 from Winona State University with a bachelor's degree in biochemistry. Her long-term plans are to return to school and pursue a degree as a physician assistant. Meanwhile, she has served in a registration and medical secretary capacity for Winona Health since her graduation. She lives in Lewiston, MN.

Karen Shaw, RN, OHCRN

Karen began her career following her 1970 graduation from the Mercy School of Nursing in Janesville, WI, working in a rehabilitation department in Madison, where she cared for patients with spinal cord injuries and strokes. Since 1973, she has worked at Winona Health. While she supported pediatrics and the medical/surgical units of the hospital for many years, she has been devoted to serving Occupational Health clients since 1995 with particular interest in employee safety. She is a member of the Minnesota Nurses Association and lives in Buffalo City, WI.
