

The Robinson Healing Garden is here for residents, patients and visitors to enjoy every day. Located between the hospital cafeteria and Lake Winona Manor, the garden was created entirely from the generosity of people like you.

Come grow with us.

An engraved paver is the perfect way to remember or honor someone you love.

Paths were created throughout the garden to display personalized pavers. The pavers can be engraved with names and dates for different occasions, such as to commemorate an anniversary, birthday, celebrate an event, or placed as a memorial for a loved one.

Your gift will also help Winona Health in its mission to improve the health of the people and communities it serves. The Robinson Healing Garden is a true community effort, and we hope you will be a part of it.

Engraved Pavers

your tribute...

Set in Stone

Pavers...

your tribute, set in stone

An engraved paver is a unique way to remember or honor someone. Your inscription will be carved on a granite paver and set into the paths in the Robinson Healing Garden, serving as a lasting tribute to special people in your life.

Please fill out the form below exactly as you wish your paver to be inscribed. Checks may be made payable to the **Winona Health Foundation**, or you may use a credit card for your gift. Please include all of your information so we may contact you if we have any questions. There will be spring and fall installations.

Thank You!
